

# MDS 3.0 Webinar Series

## June-November

1:00-2:30 p.m.

Use of the new MDS 3.0 is mandatory for nursing facility staff beginning Oct. 1, 2010. Long-term care consultants and state agency staff say the switch from MDS 2.0 to 3.0 represents a more significant change than they had initially anticipated. This webinar series is designed as a supplement to one- and two-day MDS 3.0 trainings, so you can ensure your staff will be ready when the transition is made.
